

East Ilsley monumental inscriptions

This is a list of names found in the monumental inscriptions from the churchyard of St Mary's Church, East Ilsley, and the graveyard of the now closed Baptist Chapel. However, not all of these people are buried in East Ilsley, but are included in inscriptions as family members, e.g. Parents, husbands, wives, etc. The inscriptions cover 300 years from 1711 to 2011.
